NSW Agriculture

2002 SeedStock Producer of the Year Competition

*New South Wales
SeedStock Producer of the Year*

Awarded to

**Ian & Diana Locke
Wirruna Poll Herefords**

Who in the opinion of the judges has achieved excellence as a seedstock producer of beef cattle having:

- Set a breeding objective, monitored performance and applied a high percentage of available breeding technologies to achieve genetic progress;
- Focussed on the needs of the commercial industry and provided a range of client services;
- Bred functionally efficient cattle with a high degree of market acceptance; and
- Demonstrated commitment, innovation and a willingness to contribute to education in the New South Wales beef industry.
