Improve your beef herd profitability with Wirruna Poll Hereford genetics

- ✓ Disciplined Approach to Breeding
All cows must raise live unassisted calf at 2 yrs and rejoin annually in strict 6 week joining period to remain in herd
- ✓ High level Performance Program
*All cattle assessed in large management groups and run at high stocking rates to screen commercially acceptable genetics
Recognised as one of the leading Breedplan performance recorded herds in Australia*
- ✓ Breed leading genetics
All 2025 Wirruna born calves average in top 5% of the breed for all \$Indices
- ✓ Commercial Breeders - discounted semen
Enquire about commercial semen price arrangements (where no male progeny remain entire)
